## “The State of Kalamazoo” – What’s In YOUR Future?

On Monday, February 20th, Ken Nacci, will present his annual “State of Kalamazoo” report at a meeting of the Kalamazoo City Council. Learn first hand what Ken had to say, and if future developments may create business opportunities for you in Greater Kalamazoo. How could they impact the local economy and, ultimately, construction? Attend the luncheon to find answers to these and many other questions regarding the prospects for growth in Downtown and Greater Kalamazoo areas.

Our speaker, Mr. Ken Nacci, is the President of Downtown Kalamazoo, Inc. (DKI). DKI is a private, non-profit organization, in conjunction with the Downtown Development Authority, Downtown Tomorrow Incorporated and DKA Charities. It manages a full range of activities, events and programs to benefit downtown Kalamazoo and the local economy.
