OUR MISSION

ABC Western Michigan helps members develop people, win work, and deliver that work safely, ethically, and profitably for the betterment of their communities.

ABOUT US

For over 60 years, ABC/WMC's objective has been to advance and defend the merit shop philosophy and open shop contractors. We do this by delivering a comprehensive range of programs and services, which includes education and training, professional development and networking, political advocacy, and cost-saving benefits. These value-added benefits strengthen our members and provide tools for success in this highly competitive marketplace.

ABC is recognized as one of the leading organizations representing America's business community and the merit shop construction industry.
